Recipe of the Month: Turkey, Cheddar, and Apple Grilled Cheese (Makes 4) **(Courtesy of whatsfordinnermoms.com)**

Ingredients:

8 slices bread (sourdough or country white are best)
Butter, softened
1 (8 oz.) package cheddar cheese
1 honey crisp apple, cored and thinly sliced
1/2 lb. deli turkey breast, sliced

Directions:

Spread butter on one side of 4 slices of bread. Lay butter side down on cool griddle pan. Top with 1 slice cheese, some apple slices, some turkey, and top with second slice of cheese. Build all four sandwiches.

Top with second slice of buttered bread, buttered side up.

Place griddle on stove top over medium heat. It will take 10 — 15 minutes for the first side to reach that nice golden color you are looking for on an electric stove and about 10 minutes on a gas stove. Flip the sandwich only once (making sure it is the golden color you want before flipping).

Resist the temptation to squish it with the back of your spatula!

Cook the second side of the sandwich for 4 — 5 minutes until it too is golden brown. Since the pan is now hot, the second side cooks much faster; watch carefully.

Remove pan from heat when sandwiches are done. Use your spatula to cut the sandwiches in half and serve hot.

John's Maintenance Corner

As Fall swings into high gear, please remember to keep entry ways clear of bikes, scooters, etc. during evening hours.

Also, while we love the decorating and personal touches you give to your outdoor space, we would like to remind you to make sure your apartment number is clearly visible. This is not only helpful for maintenance staff, but will ensure any emergency responders are able to find apartments quickly in the event of an emergency.

Please remember to clean up after your pets. Let's keep our community looking beautiful!
