John's Maintenance Corner

Please remember to place all regular garbage into bags before taking to the garbage rooms. Also, please be sure to place garbage bags into available cans rather than tossing onto the floors of the garbage rooms. This will help ensure that our garbage rooms stay clean and accessible for all residents.

Please remember to clean up after your pets. We want to make sure that all residents are able to use clean walkways. Let's keep our community looking beautiful!

Keep in mind that the pool is open daily from 9AM until 9PM. Off-hour use of the pool is strictly prohibited. In addition, anyone under the age of 18 must be accompanied by an adult each time visiting the pool area.

Recipe of the Month: Stuffed Jalapeno Firecrackers

Ingredients:

12 jalapeno peppers, halved lengthwise
1 (8 ounce) package cream cheese, softened
Cajun seasoning
12 slices jalapeno bacon, cut in half (regular bacon works well too!)
Toothpicks

Directions:

Preheat the oven's broiler and set the oven rack about 6 inches from the heat source.
Fill the jalapeno peppers with cream cheese. Sprinkle Cajun seasoning on top, then wrap each stuffed jalapeno with a slice of bacon. Secure with a toothpick. Arrange the wrapped jalapeno peppers in a single layer, face down on a broiler rack.
Broil in the preheated oven until the bacon becomes crisp, about 8 to 15 minutes on each side. Enjoy!

The Landings Bar-B-Que Bash

Please join The Landings staff on Friday, July 28th (weather permitting) at 4:00PM for a summer Bar-B-Que Bash! Enjoy great food, music, and time well-spent with fellow residents at the patio just outside of the pool area.

See you there!

Happy Birthday!

We would like to wish all of our July residents the happiest of birthdays! Make the most of your special day while you allow those around you to show how much they care..

You deserve it!

Kid's Summer Reading Tips

Though studies show that most students experience a loss of reading skills over the summer months, children who continue to read over summer vacation actually gain and refine skills before returning to school in the fall. Additionally, experts agree that reading builds visualization and thinking and language abilities. Try the following summer reading tips for ways to keep your child's reading active: read aloud together with your child daily, read the same book your child is reading and discuss it, let kids choose what they want to read, buy audio books, take your child to the library regularly, subscribe to childrens' magazines in your child's name, make road trips a way to encourage reading (reading aloud traffic signs, billboards, etc.), and encourage a summer scrapbook! By the time school rolls around, your child will be ready to show off their reading skills!
