### John's Maintenance Corner

As Fall swings into high gear, please remember to keep entry ways clear of bikes, scooters, etc. during evening hours.

Also, while we love the decorating and personal touches you give to your outdoor space, we would like to remind you to make sure your apartment number is clearly visible. This is not only helpful for maintenance staff, but will ensure any emergency responders are able to find apartments quickly in the event of an emergency.

Please remember to clean up after your pets. Let's keep our community looking beautiful!

## Recipe of the Month: Spider Web Pizza

### Ingredients:

1 can Pillsbury refrigerated classic pizza crust  
28 pepperoni slices  
1/4 cup sliced ripe black olives

1 cup shredded mozzarella cheese  
1 can (8 oz.) pizza sauce  
1/4 cup garlic alfredo pasta sauce (cold)

### Directions:

Heat oven to 400 degrees F. Spray 14 inch round pizza pan with cooking spray. Unroll dough on pizza pan; shape into a round to desired thickness.

Bake 8 minutes. Arrange pepperoni and 3 tablespoons of the olives on crust to within 1 inch of edge. Sprinkle cheese over pepperoni and olives. Evenly pour pizza sauce over crust; gently spread to cover toppings.

In small resealable food-storage plastic bag, place alfredo sauce; seal bag. Cut off a tiny corner of bag. Squeeze bag to drizzle alfredo sauce in circles over pizza sauce, starting from outer edge continuously to the center. Pull knife through alfredo sauce, starting from center to the outside edge, changing direction with every pull, to look like spider web. Sprinkle remaining 1 tablespoon of olives on top to look like spiders.

Bake 8 to 12 minutes longer or until crust is golden brown. Cut into wedges and serve. Enjoy!

### Fall Contests

The Landings office will be conducting a number of Fall contests throughout the month of October. Stop in the office for more details and to join in on the fun!
